helping save lives

Improving survival rate is a lifelong commitment

Resusci Anne with QCPR

More than 300 million people worldwide have been trained using our bestselling Resusci Anne manikin. Now improved with multiple feedback options, Resusci Anne with QCPR enables objective CPR performance and logging of sessions for post-training debriefing.

Use Resusci Anne with QCPR together with SkillGuide for real-time and single session feedback or with SimPad SkillReporter software for a comprehensive overview of up to six manikins simultaneously.
